

Provincials 2018 XC Running Course

Lengths

Section	Length
#10 Out/Back	600 m
Access Trail #10 – Back of #18	120 m
#18 Out/Back	930 m
#1 Out/Back	970 m
#8 Out/Back	950 m
#9 Path (starting at end of #8)	260 m

Notes

- It is important that runners can access the start line, and exit the finish area without crossing the race course (otherwise, it could create some confusion and interfere with races).
- My memory is not good enough to remember if we will be able to fit the race course + the finish near the chalet.
- At the end of each fairway, we can turn the course around early if the rabbit ears are too long.
